

Public Announcement: Integration of Weston Volunteer Fire Department

July 24, 2024

We are excited to share a major advancement in the Town of Weston's dedication to public safety. Effective October 1, 2024, the Weston Volunteer Fire Department (WVFD) will be officially integrated into the Town of Weston's administration. This strategic initiative aims to enhance the efficiency and effectiveness of our fire protection and emergency response services.

This integration is the result of a collaborative effort and a shared vision for a safer Weston. The agreement, signed on July 23, 2024, between the Town of Weston and WVFD, sets the stage for a smooth transition. It ensures that the proud tradition of the WVFD is preserved while embracing new opportunities for improvement.

We believe this integration will not only benefit the residents of Weston but also serve as a model for other communities looking to optimize their emergency services. We look forward to working closely with all stakeholders to ensure a seamless transition and to continue our mission of protecting the lives and property of our community.

Sincerely,

Jerry Randall
Mayor, Town of Weston

Charles Schnieder
Chief, Weston Volunteer Fire Department
