To the extent the provisions of this service plan conflict with the provisions of the attached Development Agreement, that Development Agreement will control.

SERVICES TO BE PROVIDED ON THE EFFECTIVE DATE OF ANNEXATION

1. POLICE PROTECTION

The City of Weston, Texas does not provide police protection within the City. Police protection may be available through the Collin County Sheriff's office.

2. FIRE PROTECTION AND AMBULANCE SERVICE

The City of Weston, Texas does not provide fire or EMS service protection. Fire protection may be available through the Weston Volunteer Fire Department.

3. SOLID WASTE COLLECTION

At the present time the City of Weston, Texas, is using a designated, specified contractor for collection of solid waste and refuse within the city limits of the City of Weston, Texas. Upon payment of any required deposits and the agreement to pay lawful service fees and charges, solid waste collection will be provided to citizens in the newly annexed area to the extent that the City's contractor has access to the area to be serviced.

4. MAINTENANCE OF WATER AND WASTE WATER FACILITIES

The City does not own or maintain any water or wastewater facilities. Water service may be available through the Weston Water Supply Corp., Gunter Rural Water Supply or the North Collin Water Supply Corp.

5. MAINTENANCE OF ROADS AND STREETS

Any and all public roads, streets or alleyways which have been dedicated to the City of Weston, Texas, or which are owned by the City of Weston, Texas, shall be maintained to the same degree and extent that other roads, streets and alleyways are maintained in areas with similar topography, land use and population density. Any and all lighting of roads, streets and alleyways which may be positioned in a right-of-way, roadway or utility company easement shall be maintained by the applicable utility company servicing the City of Weston, Texas, pursuant to the rules, regulations and fees of such utility.

6. MAINTENANCE OF PARKS, PLAYGROUNDS AND SWIMMING POOLS

The City Council of the City of Weston, Texas, is not aware of the existence of any parks, playgrounds or swimming pools now located in the area proposed for annexation. In the event any such parks, playgrounds or swimming pools do exist and are public facilities, the City of Weston, Texas, will maintain such areas to the same extent and degree that it maintains parks, playgrounds and swimming pools and other similar areas of the City now incorporated in the City of Weston, Texas.

7. MAINTENANCE OF MUNICIPALLY OWNED FACILITY, BUILDING OR MUNICIPAL SERVICE

The City Council of the City of Weston, Texas, is not aware of the existence of any municipally owned facility, building or other municipal service now located in the area proposed for annexation. In the event any such municipally owned facility, building or municipal service does exist and are public facilities, the City of Weston, Texas, will maintain such areas to the same extent and degree that it maintains publicly owned facilities, buildings or municipal services of the City now incorporated in the City of Weston, Texas.

CAPITAL IMPROVEMENTS

1. POLICE PROTECTION, FIRE PROTECTION AND EMERGENCY MEDICAL SERVICES

The City Council of the City of Weston, Texas finds and determines it to be unnecessary to acquire or construct any capital improvement for the purposes of providing police protection, fire protection, or emergency medical services. Because the City of Weston does not provide police, fire or EMS services, the City Council finds and determines that it has at the present time adequate facilities to provide the same type, kind and level of protection and service which is presently being administered to other areas already incorporated in the City of Weston, Texas, with the same or similar topography, land use and population density, without reducing by more than a negligible amount the level of fire, police and emergency services provided within the corporate limits of the City.

2. WATER FACILITIES

The City Council of the City of Weston, Texas, has determined that water is available for point of service extension from the appropriate third party provider in accordance with the City's utility policies and ordinances. Therefore, capital improvements are not necessary to provide full municipal services for water.

3. WASTE WATER FACILITIES
